

Designed by Fishermen for Fishermen

SKWOOSH™

The SKWOOSH™ Custom Gel Fishing Seat

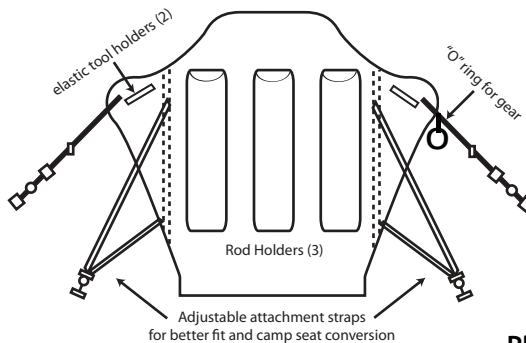

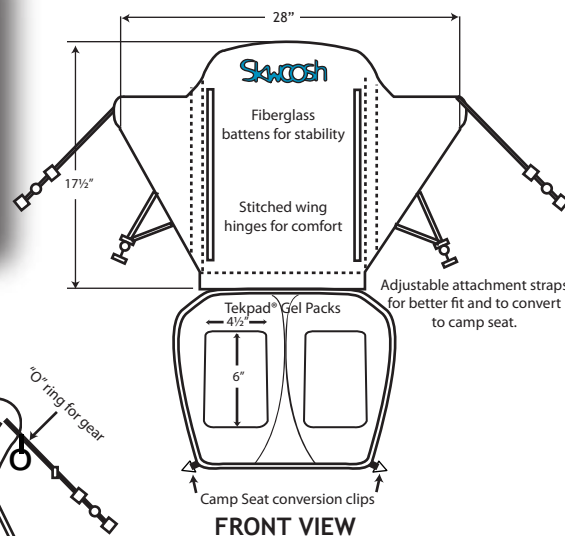

The CUSTOM GEL FISHING SEAT combines a genuine SKWOOSH™ Gel Kayak Seat with a padded back support for COMFORTABLE FISHING. With custom features like 3 built-in rod holders, straps to hold jaw and hook pliers and an "O" ring to attach gear, the Custom Gel Fishing Seat provides ultimate comfort and convenience for the serious kayak fisherman.

Features & Benefits

- CUSTOM COMFORT - genuine SKWOOSH™ patented pressure relieving gel seat
- Built-in Rod Holders - holds 3 rods or 2 and a net at the ready
- Security Tie Downs - Built-in to keep rods secure in holders under all conditions
- 2" "O" rings - to hang or attach extra gear securely
- 2 Elastic Straps - to hold small tools like hook and jaw pliers within easy reach
- 17½" Padded Back Rest - ergonomically designed for easy casting and maneuverability
- Accessibility - curved wings and back height make rods, rear hatch or well, more accessible
- Low 1" Profile - maintains CG for better stability, safety and performance
- No Collapse 16½" fiberglass support battens
- All Brass corrosion resistant swivel snap hardware
- 4 Adjustable Hi-Strength attaching straps
- Waterproof and Maintenance FREE
- Converts to convenient camp chair
- **MADE IN USA** - Guaranteed Workmanship
Guaranteed Performance
