

GEL LUMBAR Support

Support your lower back and counteract poor posture with a SKWOOSH™ Gel Lumbar Support. TekPad® gel applies firm yet gentle pressure that follows the natural curve of your back for long-term sitting comfort. The pad can be folded to adjust its thickness and attaches horizontally or vertically to any style chair using the adjustable elastic cord (see illustrations).

For all day comfort at home, in the office or while traveling.

HOW TO POSITION THE GEL LUMBAR SUPPORT

An adjustable elastic cord allows for unlimited positioning of the pad to the back of any chair. The foldable design adds the option of adjusting the pad thickness while TekPad® gel "fills in" the unsupported area.

Features & Benefits of Skwoosh Gel Lumbar Support:

- Improves posture and maintains natural curve of the back.
- TekPad® gel pad conforms to body shape for postural support
- Thickness adjustment from 1¼" to 2¼" for customized support
- Lightweight and fits in a briefcase, purse or carry-on
- Compact design is inconspicuous in use
- All welded, maintenance free construction
- Fits most chairs, auto, airline, bus and train seats
- No mechanical or air pressure adjustment required.
- Made in USA - Guaranteed workmanship and performance
