

Ergometer and Recumbent Bike Users!

SKWOOSH™

The SKWOOSH™ Fitness Cushion delivers pressure relief right where you need it the most - right under your "sitz" bones. SKWOOSH™ cushions combine medically proven pressure-relieving technology with ergonomic design so you get more effective results faster, easier and in comfort. The SKWOOSH™ design and construction is so unique it fits most rowing machines, recumbent and stationary bikes and many other seating shapes found in a gym. It's so compact that it stores anywhere and takes up very little space in a gym bag or locker. Try the lightweight SKWOOSH™ Fitness Cushion for your next workout and enjoy the benefits of exercise and comfort at the same time.
